

AURA SURGICARE

Precision instruments for professional beauty applications

BEAUTY INSTRUMENTS

Professional Catalogue 2026

Product references, patterns and illustrations for enquiry and ordering.

About AURA Surgicare

AURA Surgicare presents a focused range of professional beauty instruments designed for salons, barbers, grooming professionals and specialist beauty applications. This catalogue brings product references and visual patterns together in a clear format for easier selection and enquiry.

The collection includes hair cutting scissors, thinning scissors, manicure and pedicure instruments, nail and cuticle tools, tweezers, razors, grooming accessories and related professional instruments. Product availability, finish, dimensions and packaging can be confirmed at the time of order.

Catalogue principles

01 Clear references

Product references are structured to support faster enquiries and repeat ordering.

02 Visual identification

Professional product imagery helps identify patterns, finishes and instrument styles.

03 Organised categories

Products are grouped into practical categories for faster catalogue browsing.

04 Specification confirmation

Final dimensions, finish and requested variation are confirmed before supply.

Professional beauty instruments. Clear references. Reliable enquiries.

For current availability and ordering support, contact AURA Surgicare using the details on the final page.

Quality & Product Information

Materials & Finishes

Instrument material, surface finish and coating can vary by product pattern. Confirm the required specification when ordering, especially where a particular steel grade, coating or finish is essential.

Dimensions & Patterns

Illustrations support product identification. Sizes and pattern details should be confirmed against the selected AURA reference before final order approval.

Care & Handling

Cleaning, disinfection, sterilisation and maintenance requirements depend on instrument type and intended use. Follow applicable manufacturer instructions and local professional requirements.

Ordering

Quote the AURA product reference, quantity, preferred finish and required size or pattern details. This helps reduce ambiguity during quotation and order processing.

Before ordering

Use the product reference shown in this catalogue and confirm the required finish, size, quantity and application with our team.

Catalogue Guide

Browse the catalogue by product family. Each section uses AURA references for straightforward enquiries.
